OUR COURSE

While nationally ranked and a challenge even to more experienced players, the golf course at Kiva Dunes is 100% open to the public, and welcoming to a wide-range of skill-levels. The course is a superb links-style golf course and has a distinctive blend of signature par 3's, challenging par 4's and risk/reward par 5's. Though unique and challenging, the course's design is one that does not penalize every bad shot like many other high-ranked courses, lending to an overall relaxed playing experience.

First opened in 1995, Kiva Dunes has proven itself a testament to Jim Edgemon & Jerry Pate's shared love of golf in the two decades since. Their combined knowledge, personal insight, and determination to put their personal golfing experience to proper use. In addition to Jerry Pate's original design, his more recent renovations have consistently improved upon an already breathtaking layout, which has set the course far above most golf resort destinations in the country.
